i have already collected all this information and passed it on to kathy mitchell to submit to dick and then to new york.
i am surprised that dick did not mention that i had almost finished my data collection, excluding ashland which i have since received.

i did not email Tepstra (i am not familiar with this name), but i will today.

i am sorry that i did not include you in the bulk email that i sent out requesting information.

i will forward you the email that i originally sent out, so that you can see the distribution list.

Dear Susan,

I just had a discussion with Dick re the collection of the information regarding rewards of RD&E scientists. Given the sensitivity of this area for our staff we recommend to use the RD&E Technology distribution to collect the information in Richmond. I have drafted a suggestion for the request. We have also checked with HR about this process. So perhaps you can post the request and send it out.

For the scientists in Neuchatel, Cologne and Brussels you might consider to send it to their general management (Kassman, Reininghaus and Tepstra) for their distribution.

Please let me know, when you have any questions or thoughts on this.

Regards,
Roger Walk

DRAFT:

Dear all,

Could you please let me know who of the PM employees worldwide received external awards for scientific/technical accomplishments during the last 3 years (from Jan. 1, 1998 until today) ?

Please communicate relevant information about yourself or of colleagues (especially those who are not on this distribution list).

Please communicate (if known and if you are comfortable to share the information):

- Name
- Professional title(s)
- What was awarded?
- Who dedicated the award?
- When and where was it declared/handed over?
- Comments

Thank you for your cooperation.
