RE: CARLTON FILTER / MENTHOL Super King Posters  
Shipping Instructions - January, 1980 Installation

Dear Hank:

This will provide you with Shipping Instructions for the CARLTON FILTER / MENTHOL Vinyl Super King Posters (48" x 156") captioned: "U.S. Gov't. Report: Carlton is lowest. Less than 1 mg. tar" (Carlton Box and Menthol Packs) scheduled to be installed during the month of January, 1980 on various Express Buses in the New York Market as well as the Philadelphia Buses.

Please note: In our original letter to you of October 3, 1979, we asked you to order a total quantity of 201 Super Kings. Our Shipping Quantity now shows 222 with the additional posters being drawn from Inventory. This is due to the recent addition of 75 Super Kings in Nassau County effective February 1st. We now have enough paper to install 60 Super Kings in Nassau County but we still need approximately 20 posters in order to complete the remaining 15 installations.

Please ask the Lithographer to ship all materials as soon as possible.
