

MEMORANDUM

TO: MR. R. A. PITTMAN  
MR. J. W. GROOME

FROM: MR. D. S. JOHNSTON

DATE: APRIL 23, 1975

A meeting has been scheduled at 9:00 a.m. on Tuesday, May 26, in Mr. Pittman's office. The purpose of this meeting is to review the report issued by Marketing Planning concerning the New Product Idea Evaluation/Decision-Making Process within Marketing.

From this meeting, I would like to determine the following:

- Was the report of value; if so, in what respect?
- Are there any further activities required of Marketing Planning in connection with this project?

It would be appreciated if you would take the time to review the project report prior to this meeting as the subject matter is quite complicated.
